

Dee Bradshaw Travelling Scholarship

Established in 2018 in memory of Professor Dee Bradshaw and maintained by donations from her friends and work colleagues from the Julius Kruttschnitt Mineral Research Centre (JKMRC) at The University of Queensland. The purpose of the scholarship is to enable meritorious postgraduate students to travel to an approved international institution to develop their research capabilities and experience within the minerals sector.

Type

Higher Degree by Research, Travel Scholarship.

Eligibility

The scholarship is open to Higher Degree by Research candidates from any enrolling unit at The University of Queensland with a relevant thesis topic, who has passed their Progress Review 1 milestone.

Selection Process

Applicants will be ranked on the basis of:

- academic achievement and potential for scholastic success; and
- the significance and relevance of the international travel to the applicant's research and/or professional development in the minerals sector; and
- any other matters the selection committee sees fit to the applicant's future development.

Tenure

The scholarship may be held for the period of travel, up to a maximum of 1 year.

Value

The value of the scholarship is a minimum of \$5,000. However, the value of the scholarship shall not exceed the disbursements available from the fund. The Dean of the UQ Graduate School may determine the number of scholarships to be awarded with regard to the availability of disbursements from the fund.

Conditions

If the Scholarship is awarded to a recipient on the basis of an international opportunity that does not eventuate, any scholarship funds awarded must be returned within 30 days of a request by the University.

Nomination Form

Please submit your nomination form to jkmrc.admin@uq.edu.au

Applications close on **6 October 2023**
